General comments: This is a delightful, extremely well maintained and very profitable country hotel and bar within commuting distance of Calgary. The facility had a \$1,000,000 renovation to the entire complex with new HVAC, new boiler, new electrical, plumbing and roof. Completed building was “outsulated” with new siding and windows. Most recently, the roof has been replaced. There are 2 kitchens – the main is an open kitchen on the bar side with fully equipped prep. Second kitchen is next to the loading dock. All kitchen equipment is owned by the Vendor. All new flooring, tables and bases, & chairs. New dance floor and stage, fireplace and conversation area. The washrooms have just been re-done. They have 6 satellite dishes, many TVs and an ATM. They have 9 VLTs. Hotel has 10 rooms which were recently renovated show extremely well. Large venue holds up to 750 people and special events are usually sold out. Must be seen to be appreciated.
