## 4 including owner

This is a well-established restaurant supported by two upscale, highincome communities with no competition. They have many loyal clients who have been coming for years. Many new condos built in the area. It's a great opportunity to convert to a neighborhood pub or build a restaurant concept of your choice. The restaurant is wellequipped with a great kitchen! Owner retiring and listed at a very fair price!
\$349,000
