General comments: PRICE REDUCED!

This is the first opportunity to buy an iconic building in Calgary including a restaurant business that has been established for decades. The existing customer base and brand recognition bring strong added value. It's located on one of the major traffic arteries in Calgary with a very high traffic count and tremendous visibility.

The owners preference is to sell the land, building & business as a package. The restaurant concept could be changed to a new owner's choice or keep the successful East Indian concept.

In addition to the restaurant, the building has space on a middle level for a pub and an upper level which is used for a banquet room. These spaces add potential for diversified revenue streams.

There's a popular and well-equipped food truck available for purchase from the owner for \$75,000. This vehicle could extend your reach and expose your brand into different parts of the City and events.

ASKING PRICE: NOW \$2,250,000 for the land, building & business package
